## Future-ready. Just like you.

For business owners and entrepreneurs like you, success isn't just about profit. It's about passion, pride, and a commitment to sustainability. Now, meet the electric van that matches your vision and values. The all-new Nissan Townstar EV. 100% electric. 100% forward-thinking.

# Looks smart. Works smarter.

Bold Japanese design. Robust lines. Compact style. The all-new Nissan Townstar EV turns heads while slipping seamlessly into any space. With the perfect balance of size and cargo capacity, it conquers tight streets and tricky parking spaces with ease.

LED headlamps, turn indicators, and daytime running lights

Japanese Kumiko pattern front grille with integrated charging port

Side mirrors with integrated turn indicators

LED tail lights with rear fog lamps

Actual specifications and features may vary from image(s) shown.

Thoughtfully designed. Effortlessly accessible.  
Ergonomic. Multi-functional. Highly practical. The all-new Nissan Townstar cabin delivers abundant storage and effortless convenience - the ultimate companion for your business.

Electronic parking brake

Automatic Climate Control

Centre dashboard storage

Above dash storage with 2 USB charging sockets

Front door storage

Large size cup holders

## Smart design. Practicality perfected.

Step into a thoughtfully crafted cabin where quality meets comfort. High-grade finishes set the tone, complemented by a 7-inch fully digital instrument cluster and an 8-inch NissanConnect infotainment system for seamless connectivity. Designed to keep the space clean and intuitive, the all-new Nissan Townstar features triple USB ports, two 12V power sockets, an electronic parking brake, and up to 44 litres of smart, practical storage within the passenger cabin.

*Actual specifications and features may vary from image(s) shown.*

Intelligent performance.  
Intuitive experience.  
Connected for life.

Experience an advanced cockpit in the all-new Nissan Townstar, anchored by a 7-inch fully digital instrument cluster that delivers essential driving information in crisp, vibrant colour. Complementing this is the 8-inch NissanConnect touchscreen infotainment system, offering seamless wireless connectivity through Apple CarPlay and Android Auto. For enhanced confidence, the integrated reverse camera projects a clear, comprehensive rear view directly onto the infotainment display, making reversing effortless, even with the Townstar's long wheelbase.

Navigation with Live Traffic  
Seamlessly pair your smartphone with the 8-inch NissanConnect infotainment system and navigate the city with confidence. Featuring speed limit alerts, real-time traffic updates, and intelligent route guidance, it helps ensure every journey is efficient, so you arrive on time, every time, for your business.

Actual specifications and features may vary from image(s) shown.

# Optimised for efficiency. Designed for your business growth.

With running costs just a fraction of a conventional combustion vehicle, the all-new Nissan Townstar is the smart choice for your business. Offering a combined range of up to 300km, it's built to keep up with even your busiest days. And with its zero-emissions powertrain, you can take a break in comfort with the air-conditioning running, all while staying guilt-free and efficient.

## EV Battery Charging Time

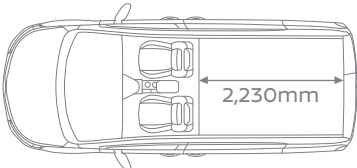

AC 11kW Charger		2h40min
AC 22kW Fast Charger		1h30min
DC 80kW Rapid Charger		37min

Duration is based on charging from 15% to 80% state-of-charge.

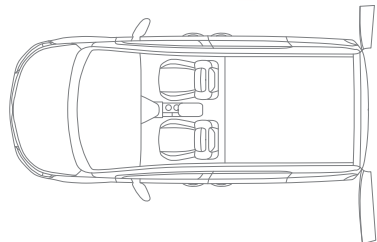

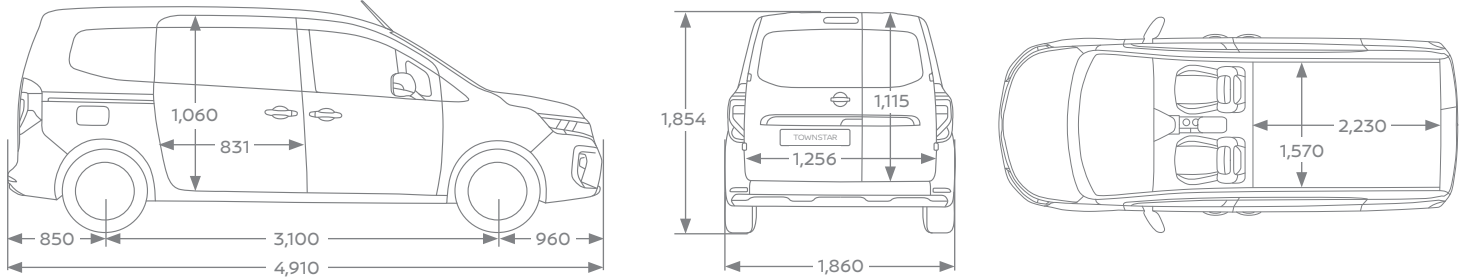

Actual specifications and features may vary from image(s) shown.

# An extended space for added versatility

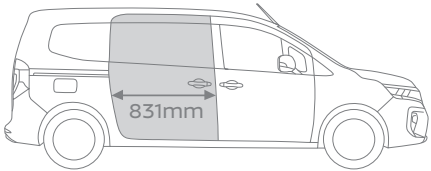

Whether it's boxes, pallets, furniture, or tooling equipment, you'll appreciate the impressive extended load space, offering up to 4.3m<sup>3</sup> of cargo capacity and a spacious cargo deck length of over 2.2m. Generous side sliding doors provide ample width to accommodate a Euro pallet, while multiple harness points keep your cargo secure for added peace of mind.

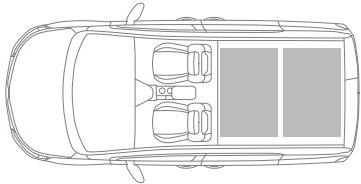

## Dimensions (mm)

180\* Twin rear cargo doors  
Load bulky cargo effortlessly with the 180° twin rear cargo doors. For smaller loads, enjoy the flexibility of opening just one side.

Extra large sliding doors  
With its extra large sliding side doors, load a euro pallet directly through with ease.

Capacity for x2 Euro Pallets  
Easily load up to 2 Euro pallets in the spacious cargo deck.

## Body colours

Mineral White (QNG)

Dark Metal Grey (KNG)
